SUBJECT: 2006 Recruiter Patch

Enclosed is a supply of patches that you can use to recognize troop leaders who organize and conduct a Troop Open House recruitment meeting. It is designed to encompass the new recruiter patch used to reward Boy Scouts who recruit a new Boy Scout. These patches were shipped to you last summer.

This summer an additional supply of the recruiter patches will be shipped for your continued use as an incentive for Boy Scouts who recruit. In addition, we will be mailing a new DVD to Scoutmasters that will feature programs to improve youth retention in the troop.

Please contact the Boy Scout Division if you need to supplement your supply of the enclosed patch designed to be awarded to the one key person in each troop who organizes and conducts the troop open house.
